

United Kingdom Accreditation Service

ACCREDITATION CERTIFICATE

**REFERENCE MATERIAL PRODUCER
No. 4002**

National Physical Laboratory

is accredited in accordance with the recognised International Guide ISO Guide 34:2000 *General requirements for the competence of reference material producers* through assessment against this Guide and against ISO/IEC 17025:2005 as appropriate for the related laboratory activities.

This accreditation demonstrates technical competence for a defined scope as detailed in and at the locations specified in the schedule to this certificate.

The schedule to this certificate is an essential accreditation document and from time to time may be revised and reissued by the United Kingdom Accreditation Service. The most recent issue of the schedule of accreditation, which bears the same accreditation number as this certificate, is available from the UKAS website www.ukas.com.

This Accreditation is subject to continuing conformity with United Kingdom Accreditation Service requirements. The absence of a schedule on the UKAS website indicates that the accreditation is no longer in force.

R. Belk

Accreditation Manager, United Kingdom Accreditation Service

**Initial Accreditation date
30 June 2006**

**This certificate issued on
30 June 2006**

The Department of Trade and Industry (DTI) has entered into a memorandum of understanding with the United Kingdom Accreditation Service (UKAS) through which UKAS is recognised as the national body responsible for assessing and accrediting the competence of organisations in the fields of calibration, testing, inspection and certification of systems, products and persons
